CLASS POEM FOR '56

The Senior Class of '56
Try keeping up with the times,
And here is our Class Poem,
Brought to you in rhyme.

Hal Musser is our President,
A thrifty lad is he,
He guides our class through thick
and thin,
But with girls he cannot win.

Bob Johnston is Vice President,
His voice in chorus rings,
In school he is a fine student,
To band a trombone he brings.

Diane Sax our Secretary,
A bonnie lass is she,
She plays clarinet in the band,
And tops our class, you see.

Mary Spangle is our reporter,
On the slide trombone she excels,
And is editor of our yearbook as well.

Dave DePew is the jolly type;
To the air force he wants to fly,
He played baseball on the team,
And is known as a regular guy.

Marilyn Shoup is a worker,
In school she is friendly and kind,
She wants a job when she graduates,
We hope it is easy to find.

Dennis Munger, a new married man,
A job he is looking for too,
We hope he finds one real soon,
And many happy returns.

Gale Fisher is a likeable fellow,
He has been with us from the start,
He too for a job is looking,
With him we will hate to part.

Donnie Walsh is a friendly lad,
Easy going and kind all the while,
He, too, played baseball with the team,
In the air force he should fly in style.

Gaylord Pierce is the studious type,
A missionary he hopes to be,
He hopes to attend Asbury College,
And study medicine you see.

David Crawford a friendly lad,
Hopes in the air force to be,
He played on the baseball team,
And suited the team to a T.

Sharron Woodard, our mighty mouse,
Came to us late in the years,
She is hoping to go to college,
As graduation day nears.

Shirley Bell is a jolly lass,
She joined us just this year,
She too wishes to go to college,
And we hope her wish is near.

We have a rhyme for each lad and lass,
We have introduced each one to you,
And so for the 1956 Class,
The Seniors say good by to you.

History of the Class of '56

Our long journey through space in our rocket ship started in the year 1944 with a crew of eleven and Mrs. Watkins as our captain. The ones who started the journey with us included: Beverly Benninghoff, Thomas Booth, Mary Lou Bushard, Lorraine Curtland, Gale Fisher, Sherman Gannon, Henry Lower, Ana Mullins, Gaylord Pierce, Diane Sax, and Mary Spangle.

During the year of 1945 we still had Mrs. Watkins as our captain. Our crew included fifteen. Our new members included Beulah Hurd, Lucile Wirick, David Crawford, Roger Boots, Alan Boots, and Hal Cronkite. Sherman Gannon and Ana Mullins left us.

As we journeyed on into 1946 we changed captains. Our new captain was Karolyn Groosebeck as our guide. During this year we had a crew of fifteen. Our new members were: Marilyn Shoup, Richard Kunce, Beverly Gause, Shirley Leas, and Donald Walsh. We lost Thomas Boots, Alan Boots, Billy Lock, and William Lichtsinn.

As we began the fifth year of our trip on our journey, we changed captains. Our captain was Mary Roberts. We had a crew of sixteen members. Our new crew members were Hal Cronkite and Robert Johnston. Hal Cronkite left us during the year.

As we started the sixth year of our journey, we still had Mary Roberts as our captain. We had a crew of nineteen members. Our new members were: Phyllis Shaw, Gerald De Long, Erna Eckert and Beverly Beebe. We lost two members during the year; Phyllis Shaw and Gerald De Long.

In 1950 we began our seventh year with our captain, Mrs. Kimball. We had seventeen members. Our new member was Hal Musser. We lost Beverly Gause from the crew.

In 1951, we had Mrs. Bright as our captain. We had eighteen crew members. We gained three crew members, David DePew, Leah Barto, and Phillip Smith. We lost Lorraine Curtland and Richard Kunce.

As we began our ninth year we had nineteen crew members. We gained one crew member, Barbara Burkley. We lost Phillip Smith and Barbara Burkley during the year.

When we began our tenth year we had seventeen as our crew. The class remained the same.

In 1954 we began our eleventh year with nineteen crew members. The new ones were Dennis Munger and Sharron Woodard. We lost Shirley Leas during the year.

In 1955 we began our last year of the trip. We had thirteen crew members. We gained one crew member, Shirley Bell. We lost Henry Lower, Beverly Beebe, Beverly Benninghoff, Leah Barto, Erna Eckert, and Donald Schieber.

Our crew members when we landed were: Dennis Munger, Donald Walsh, Mary Spangle, Hal Musser, Sharron Woodard, Gale Fisher, Robert Johnston, David Crawford, David DePew, Gaylord Pierce, Diane Sax, Marilyn Shoup, and Shirley Bell.

After our long journey of twelve years we are about to graduate and go our separate ways, taking with us what we learned between the years 1944 and 1956. We wish to thank our teachers and parents who have made it possible for us to have a high school education.

The Sophomore Class is as follows, Front Row, left to right: Ruth Cox, Marilyn Canon, Alice Booth, Judy Adamson, Carlyn Shoup, Bonnie Aaron, Wanda Caywood. Top Row: Art DeLong, Jeff Groosbeck, Harold Lowe, Larry Brown, Tom Holderman, Tom Giver, Bob Hamilton, and Mr. Bormouth, the class sponsor.

CLASS PROPHECY

Six years have passed since the class of '56 graduated. As we see them now they are starting to gather for the class reunion at the Biltmore Hotel in New York City and I believe I can truthfully say they have all made a success of their lives.

The first couple to arrive is Dennis Munger and his wife. Dennis has moved up in the world since we last saw him. He is now the President of the Men's Department of the Goldblat's Department Store. He has a darling set of twins. Following Dennis is Marilyn Shoup, only it isn't Shoup anymore. Boy she sure got herself a fine husband. I believe it is, yes, it is the minister of the famous Sky Lark Missionary church in Florida.

Look who's coming now, it is Bob Johnston and his wife, Connie. Bob is the Aeronautical engineer at the Beech Aircraft Plant in California. Bob has a little girl one and a half years old.

Who is this? I do believe it is Shirley Bell. Shirley, in case you did not know, has lost some weight. She and her beau, who is an office executive, are at the head of the famous Bell School in New York for models. You would hardly know her now, would you?

We see Dave Crawford has now been in the Air Force for about five years and has made Captain. Dave is doing a good job at home too. He has five boys, a good start for the Air Force.

Everyone has stopped visiting as the famous movie and TV star, Diane Sax and her escort come in. We see they are planning to be married soon and will make their home in California.

Here is the one and only Mary Spangle, only she is married to a sailor. You might know, a sailor! Her husband is still in the Navy so she has made a name for herself with her new dancing studio (Mary's) in Charleston, South Carolina.

I believe that is Sharron Woodard over there with the man in the Stetson and boots. He is the owner of a big cattle ranch in Texas. They are supposed to be married in the near future. Over by the door is Dave DePew and his bride-to-be. Dave, as most of you know, is the famous wingman on the Detroit Red Wings, and in his spare time he runs the famous Plantation House Restaurant.

Next is Don Walsh. Don owns a big Palomino Ranch in Texas. He is raising horses and kids and is doing well at both.

Gaylord Pierce is next. He has his own church at Austin, Texas. He has been there for one and a half years and has built up a good congregation.

Next we see Hal Musser who is now a commercial pilot. He is flying for United Airlines and after six years is still single.

I guess that is about all of the class and I must admit there are quite a few additions I don't know. But, wait a minute, we must not forget our host, Gale Fisher and his charming wife. In case you didn't know they own the Biltmore Hotel and he is graciously letting us use it for our reunion. I wonder what will have happened in six years from now by the time of our next reunion.

SCHOOL DAZE OF '56

SCHOOL DAZE OF '56

School daze, school daze, dear old Flint High School daze,
With readin and writin and 'rithmetic,
History and typing and English yet,
We started with Watkins in 44,
And teachers we added more and more,
And we are at graduation's door,
But we're still a bunch of kids.

School daze, school daze, dear old rhyme and rule daze,
Our colors we chose were red and gray,
A red rose our flower we picked one day,
Mrs. Bryan chose music to sing and play,
In band and in chorus we worked each day,
With Bormuth and Wence and Kennedy too,
And Gleason to sponsor our crew.

School daze, school daze, dear old gum and chew daze,
A blass of thirteen we bring to you,
Eight boys and five girls, a gallant crew,
With Hal as our president and Bob as vice,
Diane as secretary and treasurer so nice,
And Mary our reporter to write the news,
For our class of '56.

School daze, school daze, dear old Flint High School daze,
With Dennis and David and Gaylord P.,
And Gale and Don, and Dave DePew,
With Shirley and Marilyn and Sharron too,
Together we worked and school days flew,
And now we all say good by to you,
This class of '56.
